Dear Parents/Carers,

Year 6 Transition – Summer School 2025

We hope you and your child have found the transition resources on our website useful. Further to our June letter asking you to inform us of your expression of interest in the Summer School, we are now able to share the details. We have been overwhelmed by your support as we felt very strongly about providing your child with the opportunity to experience their new school setting prior to the autumn term, so thank you.

Year 6 Summer School will run from Monday 28th July to Friday 1st August, between 10am and 1pm. The children will have an opportunity to meet students in their year group, to take part in a range of extra-curricular activities designed by our staff and to get to acclimatize to their new school ahead of the autumn start.

The students will be placed in groups and will participate in 3 activities a day on each of the days. Snacks will be provided each day during break time, free of charge. Students are not required to wear their school uniform on these days. We are hoping for lovely weather, so that we can hold all activities outdoors. If this is the case, please remind your child to bring sun cream and a hat. The 15 activities the students will experience over the 5 days are as follows:

- Art Attack – Art
- Multisport – Physical Education
- Make Tech – Design and Technology
- How does your story begin? – English/Drama
- Outdoor measurement challenge – Maths
- Rocket Science – Physics
- Beal Treasure Hunt – Geography
- Dodge Ball – Physical Education
- Bench Basketball – Physical Education
- Rounders – Physical Education
- Bench Football – Physical Education
- Building Bridges – DT
- Gravity – Science
- Electrical circuits – Science
- Badminton – Physical Education
